IMP SERIES LETTERS™

IMP Series Letters Features/Options

CS&G IMP (Injection Molded Plastic) Letters offer an inexpensive, permanent alternative for exterior letters without sacrifice of sharp edges & thickness normally only available in more expensive letter products.

These letters are standard molded in white or black but are available painted from the CS&G standard paint finishes palette or custom matched.

Pre spaced mounting templates are available for easy installation on a variety of wall surfaces.

Typical Construction Details

Studs available in lengths of 1", 2", 3", 4", 5", & 6"
Pad Mounts Not Available For Letters Under 6"

OPTIONAL:
Studs Usually Can Be Special Ordered In Line For Brick Or Block Mortar Joints!!
